

SECRET

DD/ST# 4414-65

20 SEP 1965

TO: Director of Central Intelligence

SUBJECT: Letter to Proposed Members of the
Space Intelligence Panel

1. The attached letters relate to the organization of the Space Intelligence Panel and formally request the participation of the nine proposed panel members.

2. An initial meeting of the Panel is planned and the Chairman, Dr. Simon Ramo, informed that this related to the likelihood of a Soviet manned lunar landing occurring that is competitive with the current Apollo schedule.

ALBERT D. WHEELON
Deputy Director
for
Science and Technology
